KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers, and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

During the heavy rain storm Wednesday morning a fine young horse and valuable mule belonging to Mr. Geo. R. Pierce, were struck by lightning and instantly killed. The animals were grazing in a meadow near Mr. Pierce's house when they were struck by the current.

The Colored Institute.

The colored Teachers' Institute was held at the "Church of the Good Shepherd" Aug. 12-16. It was one of the most successful institutes in the history of their organization.

Miss McDaniel, our able county superintendent, presided. She proved herself equal to the occasion and words of praise were spoken by every one.

Miss McDaniel is complete master of the situation. Her thorough knowledge of school work, together with her dignified and friendly bearing, render her especially fitted for the office of county superintendent.

Mr. A. H. Payne, principal of the city colored school, was the instructor. Mr. Payne performed his duties with much credit to himself. He is well fitted both by experience and education, to instruct the teachers of the county in the science and art of teaching.

Misses Kittie Kinchlow and Rosa Mosley were chosen secretaries. All the subjects in the common school course were discussed. The teachers took a lively interest in the work, seeming anxious to better fit themselves for the great work in which they are engaged.

Every phase of the school work was considered. Many useful things were said.

Eighty-three teachers were enrolled and attended regularly, and were, as a general thing, present when the roll was called.

Revs. Palmer, Vaughn, Mitchell, Howe and Leavell, opened the institute on different days, with scripture reading and prayer.

Miss Rosa Morgan acted as organist. Mr. R. N. Lander was elected vice-president of the county association for the year. A. H. Payne and Mrs. Jennie Pool were elected a library committee.

The Squabble in the Second Ward.

The Democratic City Auxiliary Committee met Tuesday night and went over the poll book of the primary election August 14. Five votes cast for M. C. Forbes were thrown out, leaving 46 for J. D. Ware and 42 for Forbes, changing the result. Mr. Forbes refused to take depositions denying the right of the campaign committee to hear the contest. His attorney has appealed the matter to the City Executive Committee.

A New Foreman.

Mr. Jas. C. Simmons has succeeded W. D. Sumerlin as foreman of the Kentuckian office and entered upon his duties the first of the month. Mr. Simmons learned his trade in the Kentuckian office and has had 12 years experience. He is a capable job printer and will be able to keep up the present reputation of the office for the superiority of its work and dispatch in turning it out.

Made Her Settlement.

Miss Katie McDaniel, superintendent of schools for Christian county, made her settlement August 31, the amount being \$82,487.15 for the year ending June 30, 1895. She received from the superintendent a letter of personal thanks, saying:

"Let me thank you for the favor of your settlement, being perfect in form and accuracy."

There are now living no less than eight men who formerly represented Christian county in the house of representatives at Frankfort, viz: Jas. A. McKenzie, E. P. Campbell, O. S. Parker, John Feland, L. T. Brasher, Jas. Breathitt, Polk Cansler and J. W. Morgan. Austin Peay, John Feland, J. W. Downer and J. I. Landes, C. J. Pratt and J. H. Lunsford have served in the Senate, the four first named being from Christian the others from Hopkins. There may be others whose name we cannot now recall.

Take Vitalia Liver Pills.

Whipped His Sweetheart.

CLARKSVILLE, TENN., Sept. 4.—News of the sensational termination of a love affair comes from District 21 of this county. It seems that C. S. Bagby was engaged to marry a Miss Bryant. Sunday last was the wedding day, and when the time came Miss Bryant is said to have refused to marry. As a consequence the lover chastised his girl and afterward shot at her. The bullet did not do any harm. The man was arrested and is now in the county jail awaiting action by the grand jury. The girl escaped serious injury at the hands of her lover.
